I realize that my application will go before the CFF Judges' Council for approval to enter the CFF Judges' Training Program. I understand that if I was an approved Allbreed judge in my former organization, the highest judging level I can begin at in CFF is Approval Pending Allbreed judge. If I was not an approved Allbreed judge, I will begin as a specialty level judge in CFF. I agree to have a mentor/advisor assigned to me to assist me in my training. I am enclosing a letter explaining why I want to become a CFF judge and a check for \$50 payable to Cat Fanciers' Federation.
